

# Brother Scan n Cut Tutorial – How to Cut Fabric for Quilting

Our Brother Scan n Cut tutorial shows you an easy way to cut out those fiddly pieces of quilting fabric for your projects. There are a few little things that you need to do to get this to work. It took us a little while to figure out how to get our pieces nicely cut with a  $\frac{1}{4}$ " seam allowance. But now that we have mastered it we find the Brother Scan n Cut to be a great help.
