

Super Cute Moda Charm Square Tote Bag Tutorial

Here is our tutorial on how to make a Moda Charm Square Tote Bag.

You can make this tote bag from a Moda Charm Square pack or you can create your own 5" squares from your stash. The beauty of Moda Charm packs is that the colors are all beautifully color co-ordinated and the finished bags look amazing.

However, a charm square tote bag is a perfect way to use those pretty pieces of fabric that you have on hand, to create a truly personalized tote bag for yourself.

The bag measures approximately 13½" x 13½".

What You Need:

- 29 Charm Squares (5" x 5" squares)
- approx $\frac{3}{4}$ yard of fusible interfacing or batting
- approx 1 yard of lining fabric
- magnetic clasp (optional)

- Olfa 24" x 36" double sided healing mat
- Quilters slidelock
- Olfa 60mm rotary cutter
- Oliso Iron
- Gutermann Sew All thread

Method

- Sew the charm squares together using a $\frac{1}{4}$ " seam allowance.

Firstly I lay out my squares to get the effect I want, as shown in the diagram below.

- I sew the squares from one side to the other in rows of 3, 3, 4, 4, 3, 3.
- Then I sew the joined rows together to make the shape below. I use this shape as a template to cut out my lining and my interfacing.

In the [video](#) we show you how to assemble the bag. We take you through the process step by step so that you will be able to make these bags quickly and easily.
