

Brother Scan n Cut Tutorial: Easy Thanksgiving Card

Although we don't celebrate Thanksgiving here in Australia, we thought it might be nice to create a Brother Scan n Cut thanksgiving project for our US subscribers. These greeting cards are so quick and easy to put together and look great.

Watch the Video Below

In this video, we take you through how to design the turkey using the Brother Scan n Cut Canvas software, how to cut out the pattern and finally how to put it all together.

You will need the following to

create this card:

- Brother Scan n Cut
- Cardstock
- Scrapbooking paper
- Glue Tape Roller or glue of your choice
- 3D Pop Dots (optional)
- Ribbon
- Stamps
- Stamp ink
- Scissors
- Watercolor pencils (optional)
