

How to Print on Tissue Paper Tutorial

Here is a medium that we really enjoy working with when we are creating some of our journalling projects. Tissue paper makes an awesome background for scrapbooking or art journal projects. In our video, we show you how to do it.

We use plain tissue paper which is readily available from the \$2 shops.

Believe me, you are going to love the endless possibilities in using images printed on tissue paper for your projects. Using tissue paper is a great art journal background technique.

Watch the video to see how to print on tissue paper using your inkjet printer.
