

Art Journal Tutorial – Background Ideas: #1 Using Ink Sprays

Often, getting started is the hardest part of scrapbooking and art journalling.

The background gives you the starting point, so If you are looking for a really nifty idea for a background for your art journal or scrapbooking pages then this technique using ink sprays looks great.

Use the mist sprays to create a really nice looking background to start with and then you can build up your page from there.

In our video below we show you just how easy it is to do.

- Give it a go, I am sure you will be happy with the result.
