Brother has introduced some updates for the Brother Scan n Cut. Included are a couple of truly awesome features that were sorely lacking in previous versions.

Check out the video to see the new features.

You are going to find these so helpful, I know that we are already appreciating the functionality of these features.

Thank you Brother Scan n Cut.

If you aren't sure how to update your Brother Scan n Cut here is a [link to our video tutorial](#) showing you how to do it. It's quick, easy and necessary if you want to get the most out of the new features.
