

# Sizzix Big Shot: Can You Cut Felt or Foam Using Framelit Dies

One of our lovely YouTube viewers asked if we knew whether or not the Sizzix Big Shot cuts out felt or foam using Framelit dies.

Well, to be honest, we hadn't tried this out previously so we thought we would give it a go-to see just how well the Sizzix would cope cutting out with these fabrics using a Framelit.

**You can see the results in the video below.**
