

# Quick & Easy Sewing Projects to Sell

Looking for sewing projects to sell? The trick is finding things that are quick to make that don't require a huge outlay of funds. At the same time, they need to be impressive enough that they will sell.

So with this in mind, we've put together a list of sewing projects to sell at your next craft fair, market stall or to sell online. Enjoy!

## 1. Drawstring Gift Bag Tutorial

These are super easy to make and a great way of using up your scraps. All you need is a piece of fabric and some ribbon. These would look great on a market stall filled with candy, sewing bits-n-pieces, tea, small gift soaps, Easter eggs and more. [GO TO THE TUTORIAL...](#)

## 2. Origami Market Tote Bag

This is one of our most popular tutorials. It's super quick and easy to make and should sell well on a market stall. GO TO THE TUTORIAL...

### 3. Baby Blanket Tutorial

Baby blankets are one of the quickest and easiest sewing projects to sell. They look so soft and cuddly that you are sure to sell these especially if you use pretty fabric. When complete, just tie them up with some pretty ribbon and they are ready to sell. GO TO THE TUTORIAL...

### 4. Tea Towel Tote Bag

To make this tote bag you need just three tea towels. They are nice and fast to put together and with the range of tea towels you can get these days, you will have a wide range of colors and designs to sell. GO TO TUTORIAL...

## 5. Quick Baby Quilt

You may think that a quilt is going to take you a lot of work but these are actually quite quick to make. They don't require any binding and all you are doing is sewing squares together. They look quite impressive especially if you choose some really pretty fabrics or like us just go with a Moda Layer Cake. [GO TO TUTORIAL...](#)

## 6. Quick and Easy Pot Holders

If you are wanting a quick sewing project to sell then try these pot holders. We used Moda Layer Cake squares but you can cut your own 10" squares or even adjust the size to suit you. The sewing pattern is pretty easy so you should be able to pump out quite a few pretty fast. GO TO TUTORIAL...

## 7. Quick and Easy Table Runner (not just for Christmas)

We made this one with Christmas fabrics, but all you need to do is change up the fabric and it could suit any occasion – Halloween, Thanksgiving, Birthday, Anniversary, the skies the limit. GO TO TUTORIAL...

## 8. Super Fast Cushion Covers

You will be able to make a heap of these really fast. Just purchase some cushion inserts and sell the whole cushion ready to go. Try using niche fabrics like football, soccer, hockey, car racing, Disney characters or cartoon characters. Just check you have the rights to sell products using the fabric first. These are super quick sewing projects to sell. GO TO TUTORIAL...

## 10. Make Your Own Fat Quarters

Did you know that you can make your own fat quarters to sell? All you need to do is buy some yardage and cut them down to the right size for a fat quarter. Fold them up, iron them and grab a nice sticker label to fold over the top to keep it all together. This tutorial tells you how to cut them to the right size using yardage. [GO TO TUTORIAL...](#)
