

# Readers Project: Sheryll's Vibrant Origami Bag

*Note from Alanda Craft: Wow, don't you just love the gorgeous, colours that Sheryll has used in her vibrant origami bag. The abstract pattern has such a modern look and the orange lining just sets the bag off perfectly. These bags are so quick and easy to make and as you can see from Sheryll's comment, they make great gifts. You can make an Origami bag from our tutorial [here](#).*

## Sheryll says:

I loved making this bag, my sister loved receiving it! It was an Ikea fabric, I've had the fabric for a few years and this project was perfect for it! I'm also going to put some bias binding on the sledged corners, this will make your wonderful bag reversible! I'm off to make more for a Christmas Market! Thank you so much for sharing.
