

# Meet the Ladies From the Clover Patch Quilt Shop in Utah

Those of you who are regular readers of our blog will be familiar with Barbara who sends us photos and stories of the wonderful quilts she makes. I have previously mentioned the ladies who quilt Barbara's quilts in some of her recent Readers Posts. and we would love to give a shout out to the talented ladies from the Clover Patch Quilt Shop in Santa Clara, Utah.

Here is Barbara (2nd from the left) with Rolayne, Chrystal, and Jill, who is the owner. They are holding up Barbara's gorgeous red, black and white Snappy Quilt.

## Barbara Says:

This is their new classroom. The quilts on display were made by some of the students. My favorite is the one on the left with brightly colored squares. One of these days, I might attempt something like that.

- Here is a close up of the quilting. I think the backing and the black binding look lovely and just add that finishing touch.

Not only do the ladies offer machine quilting services they also stock pre-cuts, panels and fabric from Moda, Riley Blake and Henry Glass to name a few. And if you don't have time to quilt you can purchase a ready-made quilt.
