

Readers Project: Pauleen's Crumb Quilt Curtain

Note from Alanda Craft: I love how Pauleen's crumb quilt curtain looks. What a great idea for her She Shed Sewing Room. Crumb quilting is such fun to do and Pauleen's curtain shows how creative you can be with your crumb quilted pieces of fabric. Love it. Thank you for sharing your project with us Pauleen. Comment from Pauleen:

This is a photo of the crumb quilt curtain I made for my She Shed Sewing Room. I incorporated the quilting license plates for state of Washington Pacific Fabrics. Crumb quilting is a fun and creative way to use up scraps. No two are alike. ;0)
