

# Readers Project: Cindy's Crumb Quilting Quilts

*Note from Alanda Craft: I'm yet to try my hand at creating a t-shirt quilt, but Cindy has done an amazing job here. I love the use of the crumb quilting technique around each of the featured t-shirts. She has used 15 x15 squares and contrasted it with green sashing to make it pop. The second quilt below is appliqued hearts using the same crumb quilting technique.*

If you would like to learn the crumb quilting technique click [here](#).
