

# Readers Project: Jenny's Origami Tote Bag

*Note from Alanda Craft: I just Love the colours of Jenny's Origami tote bag, this is such an attractive fabric, and the color of the fabric used for the lining and handle certainly add the finishing touch. It looks great. Thank you for sharing your Origami Tote Bag with us Jenny.*

Jenny says:

Deze is een plezier om te maken, gemakkelijk en vooral snel klaar. ☐

Google translation: This one is a pleasure to make, easy and, above all, quickly ready
