

# Readers Project: Clare's 3 Tea Towel Tote Bag

*Note from Alanda Craft:* Clare's 3 tea towel tote bag looks great. The bumble bee fabric is so cute and I love the lemon lining. Happy to hear you liked the tutorial Clare and thank you for sharing photos of your lovely bag with us.

## Clare Says

Thank you for your really clear tutorial for the tea towel tote bag. This was my first attempt and cost just £3 to make.

Watch the video below to see how to make your own 3 Tea Towel tote bag. It's a great way to use your nice tea towels rather than have them languishing away in the cupboard.
