

# Readers Project: Claire's Easy Tote Bag – Based on Our 3 Tea Towel Tote Bag Method

*Note from Alanda Craft:* What a great idea Clare, using the 3 tea towel bag tutorial to make this one from fabric rather than tea towels. Your friend will certainly love the fabric, it's so cute. Thank you for sharing the photo of your bag with us Clare. It turned out really great.

I used the same technique as the tea towel tote to make this bag for a friend. She keeps hens and I know she will love this fabric.
