

Readers Project: Marisa's Charm Square Tote Bag – So happy with this bag

Note from Alanda Craft: Don't you just love Marisa's charm square tote bag. I just love this charm pack the colours are so vibrant. You have done an excellent job on making your tote bag Marisa, it looks great.

Don't forget to check out the video below to see how you can make your own charm square tote bag. And if you don't have a charm square pack we have a video that shows how you can cut your own charm squares from fabric you have on hand.

Marisa says:

Today I completed this bag from the excellent instructions on YouTube.

Watch the video below on how to make your own charm square tote bag.
