

# Readers Project: Darlene's Magic Pillowcase

*Note from Alanda Craft:* Oh wow!! I just love the fabric that Darlene has used to make these gorgeous Magic Pillowcases. The red contrasting strip just makes the other fabrics pop. I can certainly see why your daughter is really happy with them. Thank you for sharing your photo with us Darlene.

## Note From Darlene

I made these for my daughter and she loved them.

Watch the video below to see how easy it is to make your own Magic pillowcases.

They make great gifts and it's also a nice way to make pillowcases to dress up your bedroom.
